When you complete this form, you will receive an email with a verification code to verify your account. Follow the steps outlined in the email. Once you have completed this, you will see a screen like this.

VIEW & PAY BILLS allows you to add your utility account number and pin. On this button, you will only be allowed to pay the full amount showing for your utility account. If you wish to pay a different amount, use the PAY OTHER ITEMS button or one of the other payment options with NCR/Global Payments.

****You will need the pin # for your account. If you have not received this yet, call us at City Hall and we can get that for you.**

The City will receive notification that you have set up your account and the email that you are using.

PLEASE NOTE: This portal only accepts debit/credit card payments and charges 2.99% and does not store your payment information. You will have to enter it each time.

NCR/Global Payments accepts e-check for a fee of 50cents and the card fee is 2.15%. If you have set up a payment account with them, they store your payment information.
